

I'm explaining my ideas. I can use these phrases:

I think _____ because...

Evidence that supports my argument is...

I think this is supporting evidence because...

I think this relates to the scientific idea of...

Give an analogy or metaphor that relates to your idea.

I'm idea coaching. I can use these phrases to help the other person *clarify* and *explain* their ideas.

Say more about that.

Can you give me an example of why you think that?

Could you explain more about _____?

What do you mean when you say _____?

I heard you say _____. What evidence is that based on?

After the conversation:

Tell your partner one idea they explained well.

Tell your partner one idea they said that you had not thought of.

Flip over to switch roles
